Introduction

We are pleased to introduce "The Wedding Show in Australia 2023" organized by Asia Exhibition and Conventions (Pvt) Ltd. It will be held from 11th - 12th November 2023 scheduled from 10.00 am to 7.00 pm at the Spiringvale Town Hall, Melbourne.

In the Sri Lankan events management arena, Asia Exhibition and Conventions has established itself as the gold standard by the sheer size of the events it organises and the innovative approaches it follows to meet international standards.

Being the pioneer in organizing exhibitions and conventions, we have introduced and continued exhibitions that touch various aspects and stages of people's lives.

By showcasing our expertise to meet the expectations of clients anywhere in the world, we have ventured beyond Sri Lanka to provide our services internationally.

Making a giant leap in 2016, we successfully organized our first overseas event, a wedding show in Melbourne Australia, which was continued for the second consecutive year in Melbourne and Sydney in 2017. Reinforcing the excellence, we have demonstrated there, we continued organizing events in Australia every two years.
